

Stroller Warriors® Running Club 2021 Mileage Incentive Program

Log every mile you RUN from Jan 1 – Dec 31. For each 100 miles you run, submit a copy of this chart at a workout or as an attachment (digital file or photo) in an e-mail. Once your name has been added to the “Wall of Fame” you will have access to a Web site where you can order a commemorative shirt or other available merchandise. Miles run outside or on a treadmill may be logged in the table below. Miles walked or completed on an elliptical cannot be included. You can back-date if you start the program mid-year and have the miles logged elsewhere (like your GPS watch, another chart, etc). *Active SW club members, please refer to your chapter page for official rules and detailed information on how to submit your miles.* Participating spouses and family members may obtain more information at www.strollerwarriors.com/miles.html or email strollerwarriors.miles@gmail.com. You can keep track of our progress at www.facebook.com/strollerwarriors. Happy running and thank you for participating in Stroller Warriors® 2021 Mileage Incentive Program!
